

## MBU @ WVU Code of Conduct

*Current as of October 19, 2019*

Participation by Scouts, Parents/Guardians, other family members, adult Scout leaders, and all WVU personnel is contingent upon their agreeing to and abiding by this code of conduct. All behavior by all involved with MBU @ WVU will be consistent with the BSA Scout Oath and Law. Scouts, parents/guardians, other family members, and adult Scout leaders are reminded of three key points:

- Scouts are required to remain with their merit badge class group at all times. During pre-registration, lunch, and end-of-the day activities, Scouts are required to remain in designated spaces inside the WVU Rec Center.
- Scouts, parents/guardians, other family members, and adult Scout leaders are guests on the WVU campus and so are expected to represent Scouting in the most positive ways, respecting WVU personnel, property, and facilities, and conducting themselves with courtesy and civility.
- Scouts are required to remain in Class A uniform (Scouts BSA) or equivalent uniform throughout the day.

All MBU @ WVU activities are consistent safe Scouting practices and with the "Guide to Safe Scouting," which is available for download from at [www.scouting.org](http://www.scouting.org). Additionally, all MBU @ WVU activities are consistent with applicable WVU policies and state of West Virginia policies, including the WVU Board of Governors Governance Rule 1.7 Rule on Child Protection.
